19th December 2017

Dear Resident,

You will no doubt be aware by now of the proposal to build a large solar park in Graveney.

More information can be found on our website (details above) or that of the developer, at www.clevehillsolar.com.

Graveney with Goodnestone Parish Council has concerns over the proposal and is opposed to the plans as they stand currently. However, we would like to ensure we represent residents fairly and appropriately, and we are therefore encouraging you to make your views known to us. You can do this by contacting one of your councillors or the clerk (see over for contact details).

We are also creating a working party to deal specifically with this issue. If you would like to be involved in this, please contact the parish clerk, who will collate all details and facilitate the arrangement of the first meeting. Please note that the working party will be independent of the parish council and will act under its own power and authority, although regular updates will be requested. If you have relevant skills or knowledge that you feel would be useful, we would be particularly pleased to hear from you, but a passion for the village and its residents, as well as the ability to commit significant time to the project is more important.

We look forward to hearing from you.

Yours sincerely,

Bex Ratchford
Parish Clerk
07941 987691
clerkggpc@gmail.com

Please note, the clerk will be on annual leave over Christmas and New Year. If you phone and do not receive an answer, please leave a message and your call will be returned.
